## 7 Social Interaction opportunities

### The Universal Offer

All children belong to a house.

All children from Years 1 to 6 are given the opportunity to run for School Councillor each year.

All children have the opportunity to join a club including: Cross Country, Netball, Football, Bounce into Life, Film Club, Yoga or dance. Class performances and productions where everyone has a part.

Collaborative working in class.

Home visits are arranged for children entering Reception.

There is a robust secondary transition and partnership with our main local feeder schools.

### Additional Targeted Support and Provision

Socially Speaking intervention.

Adult support at playtimes to encourage friendships and modelling of games.

### Specialist Individualised Support and Provision

Advice from SALT

Buddy system as required, particularly for new children to the school.

Meetings with early year's providers to discuss individual needs of pupils who will join Reception.

## 8. The Physical Environment (safety, accessibility, positive learning)

### The Universal Offer

All areas of the school are accessible to everyone including those Pupils with SEND.

All classes have wheel chair access and the school is wheelchair accessible.

Pupils feel safe and, in an environment, where bullying is minimal and dealt with effectively.

There is a named child protection teacher, 'Safeguarding Officer' and a named 'Child in Care' teacher.

All areas of the school are uplifting, positive and support learning.

Teachers focus on rewarding good behaviour to promote a positive learning environment – Golden tickets are issued.

The rewards and sanctions system is robust and displayed around the school.

### Additional Targeted Support and Provision

Non-slip, non-breakable equipment available in practical lessons.

Some toilets adapted by height.

There are named adults who are 'team teach' trained.

### Specialist Individualised Support and Provision

Specialist equipment in practical lessons enables disabled Pupils to be independent.

Classrooms are made accessible for young people with sensory needs.

## 9. Transition from year to year and setting to setting

The Universal Offer	Additional Targeted Support and Provision	Specialist Individualised Support and Provision
 <p>The EYFS class forms one of the five classes we have at Mawgan-in-Pydar School</p> <p>EYFS transition is well planned and takes place regularly.</p> <p>There are strong links with the receiving secondary schools. Children are identified who may need extra support and new school is worked with to ensure a successful transition.</p> <p>Taster sessions happen throughout the year and in a variety of curriculum areas.</p> <p>Children have a morning in their new class the term before they move into their new class.</p>	 <p>SENCO will liaise with pre-school and secondary school to ensure all information is shared before transition.</p>	 <p>Where necessary, individualised transition programmes are put in place.</p>

## 10. The SEND qualifications of, and SEND training attended by, our staff

The Universal Offer	Additional Targeted Support and Provision	Specialist Individualised Support and Provision
 <p>SENCo network meetings attended by the SENCo termly.</p>	 <p>TA meetings for those who work with specific children termly or half termly.</p>	

<p>Staff INSET days throughout the year.</p> <p>Weekly staff meetings.</p> <p>Support staff have NVQ level 2 or 3, or equivalent/relevant qualification</p>	<p>Groups of staff are trained in a specific intervention e.g. Draw and Talk and Social Studies for Nurture Groups</p>	<p>Individualised training attended that will benefit specific children. E.g. Effective questioning for children with ASD.</p> <p>The school has one named person as Dyslexia Champion and Autism Champion.</p> <p>The school has two people who are trained in how to use the Dyslexia Screening Test.</p>
---	--	---

#### 11.Services and organisations that we work with (a few of the main ones):

<b>Service/organisation</b>	<b>What they do in brief</b>
<b>Speech and Language therapist</b>	<b>Assess children on their language skills, receptive language and expressive language. Provide support on how to deliver speech and language-based activities to promote improved speech or comprehension.</b>
<b>Educational Psychologist</b>	<b>They can provide assessments such as cognitive ability, provide support on behaviour and access to learning.</b>
<b>Occupational therapists</b>	<b>Provide programmes associated with sensory issues or movement and co-ordination issues.</b>

<b>Early Support</b>	<b>Co-ordinate and chair Team around the Child (TAC) meetings. Provide support for families and direct them to other relevant services.</b>
----------------------	---

Cornwall's Local Offer can be found on The Cornwall Family Information Services (FIS) website:

## 12. Pupil progress.

Parents meet with the SENCo and class teacher termly to discuss concerns and set targets for the following term using an Individual Education Plan (IEP). IEPs are completed for children with a statement or EHC or for children who require an IEP but don't have a statement or EHC. The concerns are discussed, and actions are noted. An annual review is held to update progress and provision for those with a statement or EHC. An open-door policy is used for parents to access the SENCo or class teacher as and when is needed at an appropriate time.

Pupils are tracked using Jason Hurr & Notasweknowit or if they are working below Year 1 level, their progress will be recorded using P scales. Progress is formally updated termly by the class teacher and fed back to the SENCo.

## 13. How we know how good our SEN provision is.

We are always looking at ways to improve our knowledge and delivery of support to children with SEND. The School has gained the 'silver' Aspire Academy Trust DSEN Charter Mark. Staff are individually trained in areas that are of benefit to the children they work with regularly and we are developing roles across the school for individuals to be specialists in certain areas. This will be by the appointment and training of Dyslexia and Autism Champions. During 2018-19 the school will become a 'Trauma Informed School', with relevant staff receiving training.

As a small school, we are a friendly and approachable team with regular contact with parents and outside agencies. We see good practice as high quality first teaching. We are inclusive, and we cater for a range of needs across the school. We are widely known for being a school that is a community-based village school that includes all children

regardless of their needs. Close relationships with outside agencies provide us with specialist support that is tailored to the individual child. This provision is reviewed, updated and amended as needs change and staff are trained in a range of skills to allow for this individual provision to take place.

14. If you wish to complain.

If you wish to complain, contact the Head of School Sally Vannoey. Appointments or contact details can be obtained from the school office.

### **Frequently asked questions:**

1. What should I do if I think my child may have special educational needs?

Discuss this with the child's class teacher and the SENCo. They can help you pin point any concerns and share experiences in school.

2. Who is responsible for the progress and success of my child in school?

The class teacher is responsible for the progress and this is overseen by senior leaders and the SENCo where necessary.

3. How is the curriculum matched to my child's needs?

Each child is taught according to their age. This corresponds to the National Curriculum. E.g. a Year 5 child works at the Year 5 standard in the Curriculum. For children working below their age expectation, the Curriculum is tailored to suit their needs. This might be at a lower age level or at P scale level. For children who are exceeding their age expectation, they deepen their knowledge and understanding of that standard rather than move up to the next year group.

4. How do school staff support me/my child?

The school will do whatever possible to support parents and children and will respond to questions or concerns with a positive approach.

5. How will I, and my child, know how well they are doing?

Termly meetings will be held for children who require a lot of extra support or if they have an IEP, statement or EHC.

6. How can you help me to support my child's learning?

We can give you suggestions based on evidence from our professional experience, recommendations from outside agencies and other professionals, sign post you to parent support groups or parent training sessions and help you to understand your child's next steps.

7. How is my child included in activities outside the classroom including school trips?

Careful planning goes into school trips. Each child is encouraged to participate in at least some of the activities to provide them with experiences outside of the classroom.

10. How accessible is the school environment?

The school is wheelchair user friendly and has a disabled parking bay outside the front of the school. Each classroom has an external door that leads out to the playground where children assemble for fire drills, home time and play time. We have two disabled toilets with changing facilities in one.

11. How will school prepare and support me/my child through the transition from key stage to key stage and beyond?

Your child will have planned transition days with their peers and they have the opportunity to chat with all staff members on a regular basis through playground duty, meeting and greeting in the morning, breakfast and after school clubs and assemblies.

12. Who can I contact for further information?

Your child's class teacher is the first point of call followed by the SENCo and then the Head of School.
