

School Bus

Please could we ask that ALL parents complete the attached weekly form to show the exact days that your child will be going home on the school bus.

We cannot take the word of a child at the end of the school day if we have not had the form returned. We know that sometimes circumstances change, in that case please let the school office know well in advance to the end of the day so that amendments can be made to the bus register. More forms will be available from Reception. We ask for your support in this matter.

If your child goes home on the school bus every day each week please complete the slip below, if not use attached forms.

Also can we please ask you to remind your child of the behaviour expected of them when travelling on the bus. The school bus is unsupervised and the driver must not be distracted by children misbehaving.
