

# Sport Premium Overview 2017-18

## **Mawgan-in-Pydar's Vision Statement:**

Our vision for PE at Mawgan-in-Pydar is to provide:

High quality teaching and learning across the school in all sports and physical activities.

Children with a good understanding of health, hygiene and fitness and a desire to continually improve.

A range of extra-curricular activities and sports clubs which will give all pupils the opportunity to engage with sport

Sports competition for all levels and abilities in a safe and secure environment

## **Mawgan-in-Pydar School**

At Mawgan-in-Pydar C.P. school we believe PE and sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better.

We are committed to using this resource to develop high quality PE lessons alongside greater opportunities for sporting competitions and clubs for all our young people.

We are very proud of our children's excellent records in competition within the ASPIRE Academy Trust, the Newquay Sports Partnership and have enjoyed considerable success within the Cornwall School Games.

## **Swimming and Water Safety:**

At Mawgan-in-Pydar School we are committed to providing a thorough approach to ensuring that all children are proficient and confident swimmers over a distance of at least 25m. If children have not met this standard by the end of year 4, they are required to continue their swimming provision until this standard is met. In addition to this, and due to the coastal nature of the locality, we also utilise the RNLI's 'Hit The Surf' Beach/ Water safety sessions on a regular basis. 100% of our year 6 cohort are currently meeting the National Curriculum requirement for swimming and water safety.

## **Sports Premium Grant:**

It is the government's intention to improve the quality of sports provision for primary age pupils through the 'PE and Sports funding premium' grant. This funding has been jointly provided by the Departments for Education, Health and Culture, Media and Sport and provides opportunities for schools to expand upon their current provision for pupils. The funding was initially for two years and then subsequently extended to 2020.

This funding is ring fenced and is being paid directly to schools so that they can enhance and increase the opportunities available for children to access a wider range of activities as well as specialist sports expertise.

The funding for each school will be a **lump sum of £16,000 plus an additional £10 per pupil**. The allocation for our school for the academic year **2017-2018 is £17,340**. For a current breakdown of expenditure please see appendix 1 at the end of this document.

Currently our pupils have the opportunity to participate in a range of sporting activities, clubs and events. This funding is in addition to the curriculum provision that every child receives as they progress through the school.

Our aim is to expand and enhance the current provision. We have begun to achieve this through engagement in a program of sports education, where children will have the opportunities to develop their resilience, team work, determination and perseverance skills, all of which can be equally applied to their learning across the curriculum and life skills.

The funding will also enable the continuation of participation in sporting events across the ASPIRE Academy Trust and the Newquay Sports Partnership, which enables the more talented pupils to achieve and perform at a higher competitive level.

### **Sustainability:**

Our aim for the allocation of the Sports Premium Funding is to provide additional and sustainable improvements to the quality of PE and sport we offer. We will achieve this through broadening pupils' opportunities, engaging in staff curriculum professional development and providing high quality equipment, and thus we aim to improve the experience of young people in sport.

For the year **2017-2018** our focus is on seven key areas and encompasses the 'Time2Move' Cornwall Framework for PE and School Sport. This framework takes into account the outcomes of the primary sport premium and OFSTED recommendations and provides a blueprint to develop excellent delivery both within our school and as part of the wider community.
