

HEAD OF SCHOOL NOTE

Another busy week for our school community. Bikeability, school photos, carnivorous plants, Autumn collages and a trip to the beach, as well as all of the exciting learning take place in each class. It is an absolute pleasure seeing our children so excited about and engaged in their learning.

Our new Reception pupils are loving their extended outdoor play area as well as the renovated garden space, so kindly completed by our Year 3 and 4 pupils in school during lockdown. Despite the wet weather, learning continues to take place outside as much as possible across the school.

Thank you also for continuing to respect our restrictions in place at drop off and pick up time. Almost all of our pupils are now coming in independently from the gates – thank you to those parents who are still trying to encourage their little ones to come in by themselves (they will when they are ready).

CLASS 5-MAWGAN PORTH BEACH

Class 5 enjoyed a walk to Mawgan Porth beach today to enhance their learning based around Darwin's Delight.

They are inviting everyone to submit paintings, drawings, poems or music inspired by the wild places of the parish for an exhibition. A selection of work will be displayed along with images from archive in key locations around the parish including Tregona Chapel. Digital work to janesdarke@gmail.com.
