a	Sing songs regularly with a pitch range of do-so (e.g. C-G) with increasing vocal control.
b	Sing songs with a small pitch range, pitching accurately.
С	Sing songs with a small pitch range, pitching accurately. Know the meaning of dynamics and tempo, and be able to demonstrate these when singing by responding to (a) the leader's directions and (b) visual symbols.
a	Develop a knowledge and understanding of the stories, origins, traditions, history, and social context of music they are listening to, singing, and playing.
b	Listen to recorded performances.
С	Experience live music making in and out of school.
a	Create music in response to a non-musical stimulus.
b	Work with a partner to improvise simple question-and-answer phrases, to be sung and played on untuned percussion, creating a musical conversation. Use graphic symbols, dot notation and stick notation, as appropriate, to keep a record of composed pieces.
С	Use music technology to capture, change and combine sounds.
a	Understand that the speed of the beat can change, creating a faster or slower pace.
b	Mark the beat of a listening piece by tapping or clapping, and recognising tempo, as well as changes in tempo.
С	Mark the beat of a listening piece by tapping or clapping, and recognising tempo, as well as changes in tempo. Walk in time to the beat of a piece of music or song. Know the difference between left and right to support coordination and shared movement with others.
d	Begin to group beats in twos and threes by tapping knees on the first beat and clapping the remaining beats.
e	Begin to group beats in twos and threes by tapping knees on the first beat and clapping the remaining beats. Identify the beat groupings in familiar music that they sing regularly and listen to pieces with strong identifiable beat groupings.
f	Play copycat rhythms, copying a leader, and invent rhythms for others to copy on untuned percussion.
В	Create rhythms using word phrases as a starting point.
h	Read and respond to chanted rhythm patterns, and represent them with stick notation including crotchets, quavers, and crotchets rests.
i	Create and perform their own chanted rhythm patterns with the same stick notation.
j	Play a range of singing games based on the cuckoo interval (so-mi) matching voices accurately, supported by a leader playing the melody. The melody could be played on a piano, acoustic instrument, or backing track.
k	Sing short phrases independently within a singing game or short song.
1	Respond independently to pitch changes heard in short melodic phrases, indicating with actions (e.g. stand up/sit down, hands high/hands low).
m	Recognise dot notation and match it to three-note tunes played on tuned percussion.

Composing: Compose	С	Combine known rhythmic notation with letter names to create rising and falling phrases using just three notes (do, re, and mi).
		Compose song accompaniments on untuned percussion using known rhythms and note values.
Performing: Instrumental	a	Develop facility in playing tuned percussion or a melodic instrument such as violin or recorder.
	b	Play and perform melodies following staff notation using a small range (e.g. do-mi or C-E).
	c	Use listening skills to correctly order phrases using dot notation, showing different arrangements of notes C-D-E/do-re-mi.
	d	Individually copy stepwise melodic phrases with accuracy at different speeds. Extend to question-and-answer phrases.
Performing: Reading notation	e	Introduce the stave, lines and spaces, and clef. Use dot notation to show higher or lower pitch
L		Introduce and understand the differences between crotchets and paired quavers.
	g	Apply word chants to rhythms, understanding how to link each syllable to one musical note.

National Curriculum for Music – Year 4					
PoS1	Play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression.				
PoS2	Improvise and compose music for a range of purposes using the inter-related dimensions of music.				
PoS3	Listen with attention to detail and recall sounds with increasing aural memory.				
PoS4	Use and understand staff and other musical notations.				
PoS5	Appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions, and from great composers and musicians.				
PoS6	Develop an understanding of the history of music.				

Model Music Curriculum – Year 4	
Singing	a Continue to sing a broad range of unison songs with the range of an octave (do-do), pitching the voice accurately and following directions for getting louder and quieter.
	b Sing rounds and partner songs in different time signatures (2, 3, and 4 time) and begin to sing repertoire with small and large leaps, as well as a simple second part to introduce vocal harmony.
	c Perform a range of songs in school assemblies.
Listening	a Develop a knowledge and understanding of the stories, origins, traditions, history, and social context of music they are listening to, singing, and playing.
	b Listen to recorded performances.
	c Experience live music making in and out of school.
Composing Improviso	
Composing: Improvise	a. Improvise on a limited range of pitches on the instrument they are now learning, making use of musical features including smooth (legato) and detached (staccato). b Begin to make compositional decisions about the overall structure of improvisations.
	Begin to make compositional decisions about the overall structure or improvisations.
Composing: Compose	c Combine known rhythmic notation with letter names to create short pentatonic phrases using a limited range of 5 pitches suitable for the instruments being learnt. Sing and play these phrases as self-standing compositions.
	d Arrange individual notation cards of known note values (i.e. minim, crotchet, crotchet rest, and paired quavers) to create sequences of 2-, 3- or 4-beat phrases, arranged into bars.

Performing: Instrumental	a Develop facility in the basic skills of a selected musical instrument over a sustained learning period.
	a Develop facility in the basic skills of a selected musical instrument over a sustained learning period. b Play and perform melodies following staff notation using a small range (e.g. Middle C-G/do-so).
	c Perform in two or more parts from simple notation using instruments played in whole-class teaching, identify static and moving parts.
	d Copy short melodic phrases including those using the pentatonic scale (e.g., C, D, E, G, A).
Desferration Designation and the second	
Performing: Reading notation	e Introduce and understand the differences between minims, crotchets, paired quavers, and rests.
 	f Read and perform pitch notation within a defined range (e.g. C-G/do-so). g Follow and perform simple rhythmic scores to a steady beat: maintain individual parts accurately within the rhythmic texture, achieving a sense of ensemble.

Model Music Curriculum – Year 5		
Singing		Sing a broad range of songs from an extended repertoire with a sense of ensemble and performance. This should include observing phrasing, accurate pitching, and appropriate style.
L	ь	Sing three-part rounds, partner songs, and songs with a verse and a chorus. Perform a range of songs in school assemblies and in school performance opportunities.
Listening	a	Develop a knowledge and understanding of the stories, origins, traditions, history, and social context of music they are listening to, singing, and playing.
l	ь	Usten to recorded performances. Experience (iven unsits making in and out of school.
Composing: Improvise	a	Improvise freely over a drone, developing sense of shape and character, using tuned percussion and melodic instruments.
	b	Improvise over a simple groove, responding to the beat, creating a satisfying melodic shape; experiment with using a wider range of dynamics.
Composing: Compose	c	Compose melodies made from pairs of phrases in either Cmajor or A minor, or a key suitable for the instrument chosen. These melodies can be enhanced with rhythmic or chordal accompaniment.
L	d	Working in pairs, compose a short ternary piece, or another musical structure
	e	Working in pairs, compose a short temary piece, or another musical structure Use chords to compose music to evoke a specific atmosphere, mood, or environment. Equally, pupils might create music to accompany a silent film or to set a scene in a play or book.
	f	Capture and record creative ideas using any of: graphic symbols, rhythm notation and time signatures, staff notation, technology.
Performing: Instrumental	а	Play melodies on tuned percussion, melodic instruments or keyboards, following staff notation written on one stave and using notes within the Middle C-C'/do-do range. This should initially be done as a whole class, with greater
		independence gained each lesson through smaller group performance.
	b	Understand how triads are formed and play them on tuned percussion, melodic instruments, or keyboards. Perform simple, chordal accompaniments to familiar songs.
		Perform a range of repertoire pieces and arrangements combining acoustic instruments to form mixed ensembles, including a school orchestra.
	d	Develop the skill of playing by ear on tuned instruments, copying longer phrases and familiar melodies.
Performing: Reading notation	e	Further understand the differences between semibreves, minims, crotchets and crotchet rests, paired guavers, and semiquavers.
l	f	Understand the differences between 2/4, 3/4, and 4/4 time signatures.
L	g	Read and perform pitch notation within an octave (e.g. C-C'/do-do).
	h	Read and play short rhythmic phrases at sight from prepared cards, using conventional symbols for known rhythms and note durations.

National Curriculum for Music – Year 6	
PoS1	Play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression.
PoS2	Improvise and compose music for a range of purposes using the inter-related dimensions of music.
PoS3	Listen with attention to detail and recall sounds with increasing aural memory.
PoS4	Use and understand staff and other musical notations.
PoS5	Appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions, and from great composers and musicians.
PoS6	Develop an understanding of the history of music.

Model Music Curriculum – Year 6		
Singing	a	Sing a broad range of songs, including those that involve syncopated rhythms, as part of a choir, with a sense of ensemble and performance. This should include observing rhythm, phrasing, accurate pitching, and appropriate style.
	b	Continue to sing three- and four-part rounds or partner songs, and experiment with positioning singers randomly within the group in order to develop greater listening skills, balance between parts, and vocal independence. Perform a range of songs as a choir in school assemblies, school performance opportunities, and to a wider audience.
	С	Perform a range of songs as a choir in school assemblies, school performance opportunities, and to a wider audience.
Listening	а	Develop a knowledge and understanding of the stories, origins, traditions, history, and social context of music they are listening to, singing, and playing.
	ь	Listen to recorded performances.
	С	Experience live music making in and out of school.
Composing: Improvise	a	Experience live music making in and out of school. Extend improvisation skills through working in small groups to:
	b	Create music with multiple sections that include repetition and contrast.
L	С	Use chord changes as part of an improvised sequence.
	d	Extend improvised melodies beyond 8 beats over a fixed groove, creating a satisfying melodic shape. Plan and compose an 8 or 16-bear melodic private using the pentations csale (e.g. C, D, E, S, A), and incorporate rhythmic variety and interest. Play this melody on available tuned percussion and/or orchestral instruments. Notate.
Composing: Compose		
		this melody.
· · · · · · · · · · · · · · · · · · ·	f	Compose melodies made from pairs of phrases in either G major or E minor, or a key suitable for the instrument chosen.
	g	Either of these melodies can be enhanced with rhythmic or chordal accompaniment.
	h	Compose a ternary piece, or another musical structure, use available music software/apps to create and record it, discussing how musical contrasts are achieved.
Performing: Instrumental	a	Play a melody following staff notation written on one stave and using notes within an octave range (do-do). Make decisions about dynamic range.
	ь	Accompany this same melody, and others, using block chords or a bass line. This could be done using keyboards, tuned percussion, or tablets, or demonstrated at the board using an online keyboard.
	С	Engage with others through ensemble playing with pupils taking on melody or accompaniment roles. The accompaniment, if instrumental, could be chords or a single-note bass line.
Performing: Reading notation	d	Further understand the differences between semibreves, minims, crotchets, quavers, and semiquavers, and their equivalent rests.
	e	Further develop the skills to read and perform pitch notation within an octave (e.g. C-C/ do-do).
		Read and play confidently from rhythm notation cards and rhythmic scores in up to 4 parts that contain known rhythms and note durations.
	g	Read and play from notation a four-bar phrase, confidently identifying note names and durations.
